CLOAK & PETAL

Enter Cloak & Petal and travel underground to décor reminiscent of an abandoned Tokyo subway, a stratum of society all its own, an artist's dream. Cross the threshold into a mystically transformed Japanese social dining lounge which appears to be an outdoor seating area, similar to a waiting platform. Sit beneath a trellis of draping vines and teardrop lights in the intimate space they've thoughtfully created, and feast on authentic Japanese sushi, appetizers, small plates and drinks with family and friends.

TOAST GASTROBRUNCH

Toast is a place to gather with family, friends, and loved ones and enjoy the best meal of the day. They serve up classic favorites with a unique twist. Whether it's roasting vegetables in-house or whipping up French toast batter from scratch, they take pride in the details. You can get breakfast food anywhere, but you can only get an amazing brunch experience here. So wake up to something wonderful and raise a glass to Toast.
